New Marlins Ballpark

The New Marlins Ballpark will replace the legacy of the memorable Orange Bowl in Little Havana, west of downtown Miami. Situated on the same footprint, the ballpark will be the anchor for infill and redevelopment on the site. This new MLB facility will include a retractable roof to shield from the sun and rain, inherently changing the perception of summertime baseball in South Florida for future generations. The bold vision of Miami-Dade County, the City of Miami and the Marlins is portrayed through the architecture as a modern, kinetic sculpture of faceted metal and glass.

The future home of the Marlins will be a first-class ballpark that will be owned by Miami-Dade County. It will be constructed on approximately 17 acres of the historic 42-acre Orange Bowl site in the Little Havana section of Miami. The ballpark will have a retractable roof, a natural grass playing field and 37,000 seats, including approximately 3,000 club seats and 50 private suites.

Creating an Urban Center

The urban plan proposes a fundamental change in the character of the old Orange Bowl precinct, recreating the neighborhood street network and reconnecting Little Havana to Northwest 7th Street and Northwest 17th Avenue. Within this framework of public streets, the ballpark, future development and parking garages are presented as urban buildings on city blocks, creating an urban center. This plan proposes a civic setting for a civic building. Conceived as an urban gallery, the ballpark is located between major public plazas on the east and west boundaries of the site. Parking structures form the other two walls of the gallery, moderating the scale between the ballpark and adjoining neighborhoods. The western plaza is unlike any other place in Miami, changing as the roof is rolled over the park below. The ballpark will provide retail at its base to integrate with the proposed, adjacent retail development, intentionally creating a street edge that connects to the surrounding neighborhood.

The Ballpark as an Architectural Sculpture

The building is conceived as an abstraction of "water merging with land" symbolic of Miami's coastal landscape. The base of the ballpark will create a backdrop for urban life with arcades and colorful mosaics reflecting the diverse culture of Miami. The arcades are capped by large sweeping balconies, allowing a continual pedestrian/fan experience to the street life surrounding the ballpark. The east and west facades provide transparency to action both inside and outside of the ballpark, visually connecting and reducing the mass. The roof will become the kinetic element of the sculpture, moving as three separate panels to provide shade and weather protection for all fans. The roof movements will be reflected in the use of color as a dynamic addition to the architecture. The seating bowl is comprised of three decks with less than 10,000 seats in the upper deck, resulting in one of the most intimate experiences in all of baseball. Interior features will include atrium spaces filled with color and art, a half-acre operable window to downtown Miami and beautiful colors bathing the concourses. This ballpark will be a civic sculpture with strong connection to one place, one neighborhood, one city and one state. What will be created is the most incredible baseball experience, where beauty and baseball collide.

Location

The site is less than two miles from downtown Miami, only three-quarters of a mile from the westbound SR 836 exit at 12th Avenue, and 0.4 miles from the eastbound exit at 17th Avenue. Via Interstate 95, the site is 1.25 miles from the NW 8th Street exit.

After passing the tollbooth, take the first exit onto NW 17th Avenue.

COMMUNITY OUTREACH PHILOSOPHY

The Florida Marlins, L.P. is an active partner in the South Florida community. By supporting community and charitable causes, we are exercising our commitment of being a responsible and civic-minded business.

Through Cornerstones for Kids, the Marlins continuously reach beyond the walls of the stadium to meet face-to-face with fans of all ages. Baseball is a family game, and we are committed to ensuring that the Marlins impact every member of our diverse community in a positive manner.

The catalyst may be a player signing an autograph for a youngster reaching over the dugout, a hug from Billy the Marlin, a youth group receiving tickets for a game, or one of our players reinforcing the importance of education during Marlins @ School Week. We are committed to building a brighter future for South Florida.

FLORIDA MARLINS ALL HEART AWARD

The Florida Marlins presented the 2009 All Heart Award to Hanley Ramirez. The All Heart Award is presented to the Marlins player who best exemplifies the team's commitment to the South Florida community by making a positive impact on our youth and serving as a role model for others.

Ramirez has been involved with the Florida Marlins Community Foundation (FMCF) since he joined the Club in 2006. He has attended FMCF's events since his arrival, including the Awards Dinner, Celebrity Golf Classic, Dinner on the Diamond and Fish 'N Chips Casino Night. Ramirez was a co-chair of the 2009 Fish 'N Chips Casino Night.

Since 2006, Ramirez has teamed with his double play partner Dan Uggla to co-chair the annual Baseball Tomorrow Fund Equipment Drive. They support the drive by participating in publicity opportunities and by signing cards to be used as incentives for donors.

Ramirez also serves as a spokesperson for the Marlins @ School program in which he is featured in the Geography lesson and he visits a classroom during Marlins@School Week. Since 2007, Ramirez has been a supporter of the Mini-Marlins League. He funds the kid pitch division and spends time with the youngsters at Marlins games.

In 2009, Ramirez pledged $50,000 to the Florida Marlins Community Foundation, which benefitted Teach for America, the Marlins RBI League and the Mini-Marlins League Kid Pitch Division.

Hanley also gives back to kids in the Dominican Republic, providing baseball instruction during the offseason as well as needed equipment.

CORNERSTONES FOR KIDS

The foundation of every child's future is a strong mind and a strong body. Through education, the arts and baseball, Cornerstones for Kids provides the tools for Florida's youth to develop both their minds and bodies in a positive manner.

EDUCATION

Marlins @ School

Marlins @ School is an on-line curriculum enhancement program that utilizes the Florida Marlins as the basis for the lessons. Marlins @ School aims to enhance the learning experiences of children in grades four through six by linking baseball to the curriculum areas of language arts, mathematics, science, health/fitness and geography. The program is free to educators and the lessons are in line with FCAT standards and requirements. Marlins players, coaches and broadcasters will visit approximately 20 participating classrooms during Marlins @ School Week in May.

Teach for America

The Florida Marlins have teamed up with Teach for America by adopting four South Florida classrooms through a $25,000 donation from the Florida Marlins Community Foundation. Teach for America is a non-profit organization that trains and places outstanding recent college graduates, of all academic majors, into classrooms in the most economically disadvantaged communities in America. The Marlins assist Teach for America by encouraging them to use educational tools such as Marlins @ School, as well as by providing incentives to the classrooms ranging from Marlins promotional items to tickets for a Marlins game. Additionally, visits from front office personnel, a holiday toy distribution and appearances by Billy the Marlin serve to encourage the kids to do well in school.

Teacher Appreciation Night

The Marlins recognize the Teacher of the Year from Broward, Miami-Dade, Monroe and Palm Beach counties during a pre-game ceremony. Complimentary tickets are given to every school's Teacher of the Year nominee.

THE ARTS

The Marlins recognize that an important part of developing a strong mind is stimulating creativity and imagination. Therefore, the Marlins pursue partnerships with art programs and museums that strive to enhance the lives and learning of children and adults alike.

The Marlins Masterpieces Art Series

The Marlins Masterpieces Art Series artistically engages the youth of South Florida throughout the calendar year. Young artists are invited to participate in the three contests: the Spring Series, the Summer Series, and the Holiday Series. The Spring Series challenges elementary school kids to create "Marlinized" pieces of work within the theme of Speed, Power and Teamwork. The Summer Series encourages summer campers to put their creativity to the test by artistically altering a three-dimensional object into a Marlins Masterpiece. The Holiday Series invites elementary, middle and high school students to create the cover of the Florida Marlins Community Foundation's holiday card.

BASEBALL

Marlins Youth Baseball Clinic Series

The Florida Marlins Youth Baseball Clinic Series allows Marlins coaches and players the opportunity to pass along their baseball knowledge. In order to give children the experience of learning baseball from professionals, the Marlins conduct clinics on select Saturday mornings throughout the year. Marlins players and coaches reinforce the fundamentals of pitching, hitting and fielding.

RBI

Reviving Baseball in Inner Cities (RBI) is a youth outreach program designed to promote interest in baseball, increase the self-esteem of disadvantaged children and encourage them to stay in school and off the streets. The Florida Marlins and Title sport drink supply uniforms, umpires and equipment for the league's participants. The Marlins are proud to host the 2010 RBI World Series which will be held at Roger Dean Stadium in August.

Junior RBI

Since 2004, the Marlins have partnered with the City of Miami Parks and Recreation Department to offer the Mini Marlins League. Through the league, children have the opportunity to begin playing in the T-ball division and advance through the Coach Pitch division and into the Kid Pitch division. The league has been funded through the Florida Marlins Community Foundation. This year the Mini-Marlins league will transition into the Marlins Junior RBI League.

Baseball Tomorrow Fund Equipment Drive

Hanley Ramirez and Dan Uggla team up to encourage all Marlins fans to donate to the Baseball Tomorrow Fund Equipment Drive. The collected equipment is distributed to disadvantaged ball players in South Florida. The 2010 collection will take place on May 14.

COMMUNITY OUTREACH

Ballpark Buddies/Corporate Partners for Youth

Through the Ballpark Buddies program, tickets are distributed to local charities and underprivileged youth groups throughout the season. The tickets are provided by the Florida Marlins Corporate Sponsors as well as the Commissioners Community Initiative.

Community Clubhouse

The Florida Marlins understand the tremendous impact local community-based organizations have on South Florida. During games, local organizations are invited to utilize the community clubhouse, located at the Community Corner at Section 149, to showcase their cause. They have the opportunity to distribute materials and heighten awareness for their organization.

Group/Fund Raising Efforts

The Marlins offer special group rates for events such as Salute to Youth Baseball Days, Scout Nights, Religious Organization Nights and Baseball Buddies. For more information, contact Marlins Group Sales at 1-877-MARLINS.

Marlins AYUDAN

The Marlins front office volunteer program provides an avenue for our staff to get involved and give back to our community. Through monthly community service activities and organization-wide community service days, hundreds of volunteer hours will be dedicated to helping make South Florida a better place to live.

Player Appearances

Marlins players make various community visits throughout the year. Visits to schools, hospitals, youth centers and local businesses give the players the opportunity to interact with fans outside the stadium.

Speakers Bureau

The mission of the Speakers Bureau is to educate fans and convey a positive message about the sport of baseball and the Florida Marlins. The Speakers Bureau encourages front office members to actively communicate the club's vision for the future, while listening carefully to the community for feedback.

Youth Baseball and Softball Partnership Program

The Marlins invite youth baseball and softball leagues throughout South Florida to become partners. Benefits include access to group rates for tickets, parades for league participants and exclusive league recognition during games.

THE FLORIDA MARLINS COMMUNITY FOUNDATION

The Florida Marlins Community Foundation is committed to the betterment of South Florida's youth through the Cornerstones for Kids program whose goal is building a brighter future through education, the arts and baseball. Resources for contributions come from a variety of sources including player donations, front office staff, sponsors, grants, programs and events.

The foundation of every child's future is a strong mind and a strong body. The educational, arts and athletic components of Cornerstones for Kids provide the tools for South Florida's youth to develop both their minds and bodies in a positive manner. Marlins @ School, Arts Holiday Series and RBI (Reviving Baseball in Inner Cities) are key programs that we support.

The Boys & Girls Clubs of South Florida, Teach For America, Make-A-Wish Foundation, Women of Tomorrow, SOS Children's Village, Joe DiMaggio's Children's Hospital Foundation, ALS Recovery Fund, Junior Achievement, Camillus House, Daily Bread Food Bank, Muscular Dystrophy Association and scholarships for local universities are amongst a few of the 200+ charities the Foundation supports on an annual basis.

JEFFREY H. LORIA

MARLINS OWNER

- Jeffrey H. Loria begins his ninth season as Owner of the Florida Marlins in 2010. Under his leadership, the Marlins have won one World Series Championship and posted winning seasons five times, including three straight from 2003-05 and two straight over the last two seasons. Prior to his tenure as Marlins Owner, the Club had produced just one winning season (1997) in nine National League campaigns.

- Loria officially became the third owner in Club history after purchasing the Marlins from John Henry on February 15, 2002, and he took over the team following the sale's unanimous approval by Major League Owners. Florida's winning percentage under Loria is .502, after the franchise posted a .451 winning percentage from 1993-2001.

- Following the 2007 season, Loria demonstrated his commitment to winning by signing Larry Beinfest (President, Baseball Operations), Michael Hill (VP, General Manager), Dan Jennings (Asst. GM, VP of Player Personnel) and Jim Fleming (Asst. GM, VP of Player Development and Scouting) to long-term extensions through the 2015 season.

- Loria led the Marlins to a World Series title in his second season, 2003, becoming the fastest majority owner to join a franchise and guide it to a championship since Detroit Tigers Owner Thomas S. Monaghan won in his first season in 1984.

- After a 16-22 start to that championship campaign, he made a managerial change on May 11, naming Jack McKeon the seventh manager in Marlins history. That, along with the acquisitions of American League saves leader Ugueth Urbina (Texas Rangers) and South Florida baseball favorite Jeff Conine (Baltimore Orioles) sparked the Marlins en route to a National League Wild Card and eventual World Series Championship.

- Florida won the 2003 World Series in six games over the New York Yankees, capped off by a 2-0 shutout at Yankee Stadium on October 25. The Marlins won 91 games that season, one shy of the Club record established during the 1997 Championship campaign. No team won more games than Florida from May 23 through the end of the season.

- Loria was named Chairman, Chief Executive Officer and Managing General Partner of the Montreal Expos on December 9, 1999. In his two seasons in Montreal, his commitment to field an exciting and competitive Club was demonstrated by his investment in payroll and the signing of several key players to long-term contracts to compliment All-Star outfielder Vladimir Guerrero, second base All-Star Jose Vidro and staff ace Javier Vazquez.

- Loria first became involved in professional baseball in 1989 when he purchased the Triple-A American Association Oklahoma City 89ers, now the Pacific Coast League's RedHawks, which he owned until 1993. He was named the American Association's Executive of the Year in 1992, the same season his Club won the Triple-A Championship.

- Born in New York City, he received his undergraduate degree from Yale University in 1962, before earning his MBA from Columbia University.

- A leading international Art Dealer since 1962, Loria specializes in major paintings and sculptures by 20th Century Masters. He is a former member of the Board of Directors of the Art Dealers Association of America and is an emeritus member of the Board of Directors for the Benjamin N. Cardozo School of Law of Yeshiva University in New York City. He is also active in numerous charitable organizations. He is the author of two books, "Collecting Original Art" and "What's It All About Charlie Brown?"

- Loria spends much time supporting many charities around the world, including hospitals, educational institutions and museums.

- Loria divides his time between his homes in New York and South Florida.

CARL BARGER

5

The Florida Marlins dedicated the Club's inaugural season to Carl Barger, who passed away December 9, 1992 at the Baseball Winter Meetings. Mr. Barger was the Marlins first President and Chief Operating Officer. The Marlins honored their first president by retiring number 5 (his favorite player was Joe DiMaggio) on April 5, 1993 and adding his name at the bottom of a specially designed inaugural season patch.

DAVID P. SAMSON

MARLINS PRESIDENT

- David Samson enters his 11th season in Major League Baseball and ninth as President of the Florida Marlins. He is one of only seven current Presidents in Major League Baseball who has presided over a World Series champion.
- As Club President, Samson oversees all aspects of the team's day-to-day business operations, including sales, marketing, operations and personnel matters. The 2009 season was monumental for the franchise, because on July 18, 2009, ground was officially broken for the new Marlins ballpark. After almost a decade, construction is well underway on the baseball-only, retractable roof, air-conditioned facility. The ballpark project is on budget and on schedule to open for the 2012 season. In addition, the club finished with the third-best record in their 17 year history with 87 wins.
- Samson works closely with Owner and CEO, Jeffrey Loria, on all baseball matters and general corporate strategy. Samson is also the President of the Florida Marlins Community Foundation, which focuses its efforts on baseball, arts and educational needs of the South Florida community. The Foundation distributed well over $1 million to worthy charities in South Florida in 2009 and is on pace to surpass that amount in 2010.
- Among his accomplishments, Samson was named one of Sports Business Journal's "Forty Under 40" for two years running, 2003-04. Other highlights, in addition to the 2003 World Series Championship, included the Florida Marlins being named South Florida's No. 1 Film and Entertainment Company of the Year and Baseball America's Organization of the Year.
- Samson, 42, was born in Milwaukee, WI, and was raised in New York City. He graduated from the University of Wisconsin-Madison with a Bachelor's in Economics in 1990. He received a Juris Doctor from the Benjamin N. Cardozo School of Law in New York City in 1993. He is a member of the New York State Bar. Following law school, Samson became President and Founder of News Travels Fast, the first company to deliver the New York Times to Europe on a same-day basis. In 1996, Samson joined Morgan Stanley, an investment bank in New York City, a position he resigned in 1999 when he joined the Montreal Expos as Executive Vice President.
- On October 21, 2006, Samson became the first active team President to complete the Ford Ironman World Championship Triathlon in Kona, Hawaii. In addition to swimming 2.4 miles, biking 112 miles, and then running a full marathon, all in 15 hours, 36 minutes, Samson personally raised over $250,000 for the Florida Marlins Community Foundation, the Challenged Athletes Foundation ("CAF") and other local Hawaiian charities.
- Samson concentrates his charitable efforts on helping underprivileged and sick children experience summer camp and improved education and health care. In addition, he is a member of CAF's Board of Directors. His vision is to help increase its visibility, thus enabling more physically challenged athletes to compete in triathlons as well as other sports. In 2009, Samson was appointed to serve on the Board of Governors of the Dade Community Foundation. The DCF's primary purpose is to encourage philanthropy and charitable giving by developing a permanent endowment to meet merging charitable needs. Samson also manifests his love of movies through giving film reviews on a local weekly radio show and by being a Platinum Member of the Miami Film Society. Samson annually delivers over 100 speeches in and around South Florida and the United States on subjects varying from the business of baseball to general motivation.
- He and his wife, Cindi, a former school director, have been married for 19 years and have two daughters, Hannah and Kyra, and a son, Caleb.

JOEL A. MAEL

MARLINS VICE-CHAIRMAN

- The 2010 season marks Joel A. Mael's ninth as Vice-Chairman of the Florida Marlins, a position he was named to in February of 2002. Prior to joining the Marlins, for three years, Mael worked closely with the Montreal Expos organization, as a financial advisor. His business relationship with Owner Jeffrey Loria dates back over 19 years, and he continues to advise ownership and management on a myriad issues.
- Mael co-founded the investment and merchant banking firm Tallwood Associates in 1990. The New York City firm has completed over 100 transactions/investments since its inception. Mael sits on the boards of many of the firms' numerous clients.
- Following his graduation from business school in 1981, Mael spent 10 years in Drexel Burnham's Corporate Finance department, rose to the Managing Director level and was a member of the department's executive committee. At Drexel, he was involved in over $5 billion of financings and numerous M&A and LBO transactions.
- Mael was born in Montreal, Canada, and raised in Brookline, MA. He earned a B.A. in Economics from Yeshiva College and an MBA from Harvard Business School in 1981.
- Mael was elected as a Trustee of the Village of Lawrence, NY, in 2003, and is currently serving his 4th two-year term. He also serves on the board of directors of Yeshiva College and other various charitable institutions. Mael, 52, and his wife, Lynn, have four children: Ayelet, Jonathan, Daniella and Aviva.

LARRY BEINFEST

MARLINS PRESIDENT, BASEBALL OPERATIONS

- Larry Beinfest begins his 21st year in professional baseball, with 2010 marking his ninth year atop the Marlins Baseball Operations Department. He was promoted to President of Baseball Operations and signed an extension through the 2015 season on September 29, 2007. He previously served as Executive Vice President and General Manager. In his eight seasons, the Marlins have compiled a 656-639 record (.507) and a World Series title. During Beinfest's tenure, the Marlins have posted six of their top eight single-season win totals (91 in 2003, 2nd; 87 in 2009, 2nd; 84 in 2008, 3rd; 83 in 2004 and 2005, tied for 4th; and 79 in 2002, tied for 7th). In the Club's first nine seasons, the Marlins had one winning season and made one playoff appearance, as they won the World Series in 1997.

- The 2009 Marlins Opening Day roster was the first built entirely by Larry Beinfest's baseball operations department, as all 25 players were signed, drafted or acquired by the current regime. Offseason trades brought in the likes of Ross Gload, Leo Nunez and Ronny Paulino and the trade deadline brought the acquisition of Nick Johnson. Gload set Marlins single-season club records for hits and RBI by a pinch hitter while Paulino ended the season as one of the top hitting catchers in the second half of the year. Several young players that made significant impacts on the Major League club that posted the third-most wins in franchise history were the 2009 National League Rookie of the Year Chris Coghlan and left-handed pitcher Sean West.

- Over the past four seasons, Beinfest has re-tooled the Marlins roster by acquiring numerous talented young players via trades, the Rule 5 Draft and free agency. He traded for Hanley Ramirez, Anibal Sanchez, Ricky Nolasco, Matt Lindstrom, Andrew Miller, Cameron Maybin and others. Ramirez went on to become the 2006 NL Rookie of the Year, the second NL Rookie of the Year acquired via trade during Beinfest's tenure with the Club (also Dontrelle Willis). Sanchez tossed the fourth no-hitter in Marlins history on September 6, 2006, blanking the Diamondbacks at Dolphin Stadium and Nolasco led the team in wins in 2008. Beinfest selected Dan Uggla in the December 2005 Rule 5 Draft. In 2008, Uggla set the ML record for most home runs by a second baseman in his first three seasons.

- In 2003, the Marlins won the World Series Championship and were recognized as the Organization of the Year by *Baseball America*. The 2003 Marlins produced a 91-71 record, the third-best mark in the National League, behind Atlanta and San Francisco. The minor league system combined for a 343-340 mark and three postseason playoff berths, a feat accomplished for just the second time in the organization's first 11 seasons. Beinfest was named the Rube Foster Legacy Award winner by the Negro Leagues Baseball Museum as the 2003 National League Executive of the Year.

- Beinfest built the Marlins into a 2003 playoff contender and eventual World Series champion through a number of trades and free agent acquisitions. Prior to the start of the 2002 season, the Marlins acquired Dontrelle Willis and during the year added Carl Pavano and Juan Encarnacion. In the offseason, Beinfest added 14-game winner Mark Redman, 2003 team Most Valuable Player Juan Pierre and future Hall of Famer Ivan "Pudge" Rodriguez.

- During the 2003 campaign, Beinfest acquired then-American League saves leader Ugueth Urbina from the Texas Rangers, signed all-time pinch-hit leader Lenny Harris and pitchers Chad Fox and Rick Helling to help strengthen the team during its playoff run. When All-Star third baseman Mike Lowell broke his left hand on August 30, he acquired Jeff Conine from the Baltimore Orioles prior to the midnight deadline on August 31.

- Beinfest is one of just three active Baseball Operations heads to win a World Series within his first two seasons. Yankees General Manager Brian Cashman won the trophy in his first season (1998), while Beinfest and Red Sox General Manager Theo Epstein both accomplished the task during their second seasons. Beinfest is one of six active Baseball Ops heads to win a World Series, joining Cashman, Epstein, Ken Williams, David Dombrowski and Walt Jocketty.

- Beinfest was named the second General Manager in Club history (following Dave Dombrowski) on February 12, 2002. Prior to joining the Marlins, he served as the Montreal Expos Interim General Manager, named to that position on October 2, 2001.

- Beinfest was named the Expos Assistant General Manager on December 3, 1999. He was involved in all aspects of baseball operations, including contract negotiations, salary arbitration and rules and waiver compliance. Beinfest began his career in professional baseball in 1989 with the Seattle Mariners and during his 10 years with the Mariners he held several positions including Player Development and Scouting Assistant, Assistant Director of Player Development, Director of Player Development, and Assistant to the Vice President, Baseball Operations.

- Born and raised in Chatsworth, CA, Beinfest was an All-Los Angeles selection as a shortstop at Chatsworth High. He graduated in 1986 from the University of California, Berkeley, and has a Master's degree in Public Communications from Syracuse University. Beinfest and his wife, Katie, have two children, Madelyn and Mitchell.

WHY THE MARLINS?

The Marlin, a gamefish native to the region, was selected as the Club's nickname because it is known for its fierce fighting and cleverness. But the selection also has historical basis. From 1956-70 and 1982-88, various minor league clubs in Miami carried the Marlins name.

2009 SEASON

- In his first full season since 2006, went on to post career-highs in wins (15), starts (33), innings pitched (209.0) and strikeouts (191). His wins and innings pitched totals led the club, while his 15 wins were tied for the fourth-most in the National League. Among NL starters, he ranked third in winning percentage (.750), eighth in day ERA (3.08) and 10th in strikeouts.
- His .750 winning percentage (15-5) was the highest in franchise history among pitchers with at least 10 wins in one season. Among Marlins single-season pitching leaders, ranked fourth in strike-out to walk ratio (3.29), tied for fifth in quality starts (23), sixth in ERA (3.23), tied for sixth in games started, seventh in strikeouts, tied for seventh in wins, eighth in strikeouts per 9.0 innings (8.22) and ninth in walks per 9.0 innings (2.50).
- He began the season with a career-best 14.2 inning scoreless streak, allowing his first run of the year in the ninth inning against the Mets on April 12.
- Earned National League Player of the Week honors on April 14 after going 2-0 with a 0.57 ERA and one complete game in his first two starts. It was the first POW honor of his career.
- Won his first three decisions of the year, which coupled with wins in his final three decisions last season, established a career-best six-game win streak. His longest win streak of the season was five games, from July 12 to August 14. In those six starts, had an ERA of 2.93 (40.0 IP/13 ER).
- Named to the 2009 National League All-Star team, marking his first All-Star selection (did not play). Posted an 8-2 record and 2.74 ERA (128.0 IP/39 ER) in the first half of the season.
- He posted an .818 winning percentage through his first 20 starts of the season (9-2) to set a club record. The previous high was .733 by Dontrelle Willis in 2003 and Carl Pavano in 2004 (both 11–4). In addition, he went 18 starts, from April 24 to July 29, without being charged with more than three runs in any start. Only one other current major-league pitcher had ever fashioned such a streak during one season, and that was Johan Santana in 2004 (22 consecutive starts). *-Elias Sports Bureau*
- Took the loss on September 22 at Sun Life Stadium, surrendering four runs on seven hits with two walks and 10 strikeouts in 5.0 innings. Became the second pitcher in Marlins history to strike out 10-or-more batters in no more than five innings pitched. John Burkett (10 SO, 5 IP) did it on September 30, 1995, also against the Phillies. *-Elias Sports Bureau*
- Earned the win on August 10 at Philadelphia to improve his career record to 30-13. According to the Elias Sports Bureau, only four other active pitchers reached 30 career wins with as few as 13 losses: Tim Hudson (30-8), Roy Oswalt (30-9), Tim Lincecum (30-11) and Jon Lester (30-12).
- Hit third home run of the season on August 4 at Washington. Tied the club record for home runs by a pitcher, also done by Dontrelle Willis (2006) and Alex Fernandez (1999). He joined Carlos Zambrano and Micah Owings as the third pitcher with three home runs on the year. (Owings's total includes one as a pinch-hitter.) There was only one other season in the last 25 in which three pitchers hit at least three homers: Zambrano (6), Jorge Sosa (3), and Dontrelle Willis (3) in 2006. *-Elias Sports Bureau*
- Connected for second career home run on July 29 vs. Atlanta. It marked the second time he hit a three-run home run (also on June 4th vs. Milwaukee). Only one other pitcher over the last 20 years has hit two home runs in a season with at least two men on base: the Phillies Robert Person in 2002 (hit a three-run home run and a grand slam in the same game). *-Elias Sports Bureau*

2009 SEASON

- Led the staff and established career highs in complete games (2) and strikeouts (195), while ranking second in wins (13) in his 31 starts. Among National League starters, ranked seventh in strikeouts (195)
- Was optioned to triple-A New Orleans on May 23 after beginning the season with a 2-5 record and 9.07 ERA (43.2 IP/44 ER) in nine starts.
- With the Zephyrs, posted a 1-1 record and 2.40 ERA (15.0 IP/4 ER) in two starts. Tossed 8.0 inning complete game in his first start, May 27 at Las Vegas, taking the loss after allowing only three runs on six hits with two walks and seven strikeouts. Earned the victory in his second start, June 1 vs. Round Rock, going 7.0 innings with only one run allowed on six hits with one walk and five strikeouts.
- After being recalled on June 7, went on to compile a 11-4 record and 3.82 ERA (141.1 IP/60 ER) in 22 starts. Provided quality starts in 15 of his last 22 assignments after having only one in his first nine to start the season.
- Ranked sixth among NL starters with 9.49 strikeouts per nine innings, which marked a Marlins single-season record. A.J. Burnett was the previous leader with a 8.94 mark in 2002.
- Walked 2.14 batters per nine innings, 10th in the NL. Also ranked fifth on the Marlins single-season list.
- Struck out 10-or-more batters five times this season: July 5 vs. Pittsburgh, July 22 at San Diego, August 18 at Houston, September 19 at Houston and September 30 at Atlanta. Since the start of 2008, he owns the second-most 10+ strikeout games in the National League (10), behind Tim Lincecum (17).
- On September 30 at Atlanta, struck out a club record 16 Braves. He struck out the side in the 3-5 innings, giving him nine straight strikeouts, which was one shy of the ML record. He became just the fourth pitcher ever and third in the modern era to strike out nine straight, joining Tom Seaver (10, 1970), Jake Peavy (9, 2007) and Mickey Welch (9, 1884). The 16 strikeouts were the most by any pitcher at the Major League level since Johan Santana struck out 17 Texas Rangers on August 19, 2007. The Marlins previous record for strikeouts in a game was 14, done twice by A.J. Burnett (July 26, 2005 vs. Milwaukee and August 29, 2006 vs. Colorado).
- Tossed his third career complete game, and second of the season, on August 18 at Minute Maid Park. He surrendered two runs on three hits with no walks and 10 strikeouts.
- Threw 7.0 innings on September 19 at Cincinnati, surrendering two runs on four hits with one walk and 10 strikeouts. The 7.0 innings broke a Major League record stretch of 29 consecutive games where a Marlins starter failed to pitch at least 7.0 innings. That start marked the seventh time over the last two seasons that Nolasco had double-digit strikeouts and one or fewer walks, tying Tim Lincecum for the most such games since the start of 2008.
- Held the Pittsburgh Pirates scoreless over 8.0 innings, allowing only three hits with two walks while striking out 12 batters on July 5 at Sun Life Stadium. According to the Elias Sports Bureau, only two other pitchers in Marlins history have recorded at least 12 strikeouts in a scoreless outing of at least eight innings: Brad Penny in 2001 and Dontrelle Willis in 2006. Owns nine 10+ strikeout games in his career, all coming in the last two seasons.
- He tossed a 5.0 inning complete game on June 18 against the Boston Red Sox at Fenway Park. The only hit he allowed was a first inning home run by Kevin Youkilis. It marked the sixth complete game in Marlins history where the starting pitcher went 6.0 or fewer innings and first since Dontrelle Willis did so on April 30, 2005 at Philadelphia.

2009 SEASON

- In his fourth Major League season, led the National League in batting with a .342 average in 151 games. Set career-highs in average and RBI (106) and was three hits away from tallying 200 hits for the second time in his career and won the Louisville Slugger Silver Slugger Award.
- Became the first Marlin in franchise history, and fourth National League shortstop, to win a batting crown. He was the ninth shortstop in Major League history to win the crown, marking the 17th time it has been done by a shortstop. He was the first NL shortstop to win a batting title since Dick Groat in 1960, who followed the likes of Arky Vaughan and Honus Wagner.
- With his home run on September 6, became the fourth fastest shortstop to 100 home runs (595 games). Alex Rodriguez reached 100 HR in 470 games, Nomar Garciaparra in 491 games and Ernie Banks did it in his 500th game.
- Among NL hitters, ranked in the top 10 in almost every major category: first in average, road average (.353) and average vs. righties (.352), tied for first in average with runners in scoring position (.373), second in night average (.333), tied for second in grand slams (3), third in hits (197) and day batting (.365), fourth in multi-hit games (56), sixth in doubles (42), on base percentage (.410) and home batting average (.332), eighth in RBI, total bases (313) and stolen bases (27) and ninth in runs (101).
- Played error-free ball in a career-best 56 straight games from July 4 to September 12. In that span, had 219 chances without a miscue. His previous best was 28 games, from August 9 to September 10, 2008.
- Voted in by the fans as the starting shortstop for the 2009 All-Star Game in St. Louis. Went 0x3 on the day. Marked second consecutive All-Star start and is the only Marlin to be voted as a starter twice. Was the first NL player since Edgar Renteria (2003-04) voted as starting shortstop in consecutive years.
- Led the club and ranked fourth in the NL with 56 multi-hit games. Included in that total was a Major League leading 24 three-hit games.
- Hit in a career best 16 straight games from August 5-21, collecting multiple hits in 12 of those 16 games. Boasted a .461 average (35x76) with 18 runs scored, seven doubles, three home runs and 16 RBI over the streak.
- Earned co-NL Player of the Week honors with San Diego's Chad Gaudin on June 29. For the week he led the NL with 15 RBI and 22 total bases, which included two grand slams.
- Collected at least one RBI in 10 straight games, June 21-July 1, to mark a new club record. Previous record was eight, last done by Jorge Cantu from September 9-19, 2008. Was the first NL shortstop ever to have 10 consecutive games with an RBI.
- Hit his first career grand slam on Opening Day against Washington, off Steven Shell. Was the third Marlin in club history to hit an Opening Day grand slam, joining Juan Encarnacion (2005) and Preston Wilson (2002) as the only Marlins to do so. Also hit grand slams on June 23 and June 25, both against Baltimore. He and Cody Ross both tied the Marlins single-season club record with three (Conine in 2004 and Bonilla in 1997).

In addition, he became the first player in Major League history to hit 30-or-more home runs in three straight seasons in which he played at least 100 games at second base. Ryne Sandberg (1989 and 1990), Alfonso Soriano (2002 and 2003) and Chase Utley (2008 and 2009) are the only other players to do so in two straight seasons. *-Elias Sports Bureau*

- Became the third Marlin in club history to homer in each end of a double-header on May 20 vs. Arizona. Jorge Cantu was the last Marlin to do so, May 25, 2008 vs. San Francisco. Josh Willingham was the other, July 30, 2006 at Philadelphia. According to home run guru David Vincent, Uggla is only the fifth player since World War II to homer off the same pitcher in both games of a doubleheader. The others: Willie Mays off Vern Law (Sept. 20, 1955), Gus Bell off Bob Miller (May 6, 1956), Ron Fairly off Mike Corkins (April 28, 1970) and Travis Fryman off Roberto Hernandez (April 13, 1997).
- On September 2 vs. Atlanta, became the third player whose primary position was second base to have four straight seasons with 25+ home runs. The others are Ryne Sandberg (1989 to 1992) and Alfonso Soriano (2002 to 2005). *-Elias Sports Bureau*
- Joined the New York Yankees' Joe Gordon (1938-41) as the only two second basemen to hit 20-or-more home runs in each of their first four ML campaigns. He is the first Marlin to accomplish the feat in his first four ML seasons and the fourth to reach 20+ HR in four consecutive seasons (Preston Wilson, Derrek Lee and Miguel Cabrera).

2009 IN REVIEW

FIRST THINGS FIRST: According to Elias Sports Bureau, Florida was only the fourth National League team since 1983 to win at least nine of its first ten games of a season. The other NL clubs to do that were the 1990 Reds (9-1), 1994 Braves (9-1) and 2003 Giants (9-1). The Reds and Giants went on to win their division; the Braves were in second place when the season was shortened due to the strike.

BRINGING US TO THE END: Florida finished in second place in the National League East, posting the third-best record in club history, falling short of the 92 wins in 1997 and 91 in 2003.

NINE LIVES: With their three wins over Washington April 17-19, despite trailing in their last at bat in all three games, the Marlins became the first ML team ever to sweep a three-game series in which they trailed all three games in their last at bat. The Marlins were the first ML team since the 1998 Tigers to win three straight games in which they trailed in their last at-bat. The Tigers accomplished it Sept. 17-19, 1998. Elias Sports Bureau

BONIFACIO BEGINS: In his first game as a Marlin, Emilio Bonifacio hit an inside-the-park home run to become the first player since July 7, 2001 (Cesar Izturis) to hit an inside-the-park home run as his first career homer. It was the first inside-the-park home run on Opening Day since Carl Yastrzemski did so on April 10, 1968. Also in that game he tied a franchise record with four runs scored and set career-highs with four hits and three stolen bases. Additionally, Emilio became the first player since Wade Boggs (nine hits, seven runs) in 1994 to reach eight hits and six runs through a team's first three games of the season.

ROUNDING BASES: The Elias Sports Bureau noted that Emilio Bonifacio was the first Marlins player to hit an inside-the-park homer in one game and a triple in the next—or vice versa—in the team's 17-year history. He's also the first major leaguer to do it since Colorado's Dustan Mohr on July 10 and 16, 2005 (dates separated because he did not play the next day and the All-Star Break ensued). The last major leaguer to do it on consecutive days was Toronto's Ken Huckaby on July 17-18, 2002.

TWICE IS NICE: On April 18 in Washington, Jeremy Hermida hit a two-run homer in the 9th inning to send the game into extra innings and hit a three-run homer in the 11th inning for the 9-6 win. He was the first Marlin ever to accomplish the feat and first player since 2004 to hit a game-tying home run in the 9th inning and a game-winning home run in extra innings. On Aug. 20, 2004, in LA vs. Atlanta, Adrian Beltre hit a game-tying home run in the bottom of the ninth and a game-winning home run in the bottom of the 11th in a 3-2 Dodgers win.

ONLY THIRD TIME IN A QUARTER CENTURY: According to the Elias Sports Bureau, May 21 marked only the third time in the last 25 years that both deciding pitchers in a game were making their Major League debuts. Arizona's Clay Zavada earned the win while Florida's Cristhian Martinez took the loss. It marked the second time in 2009 after the Detroit-Toronto game on April 9, when Ricky Romero defeated Rick Porcello. The other was on September 4, 2008 when James Parr and Shairon Martis were the deciders in their debuts.

MAJOR LEAGUE FIRSTS: In the May 22 game against Tampa Bay, two Marlins collected their first Major League hit in their first ML at-bat. Reliever David Davidson singled to left in the third inning and Brett Hayes did the same in the ninth inning. It was the first time since July 8, 2005 that two players recorded a hit in their first career at-bat. Ironically enough, Florida played a part in that contest, as the Marlins' Randy Messinger and the Cubs' Matt Murton both recorded their first career hit in their first at-bat. The last time two players from the same team did so was on September 16, 2000 when Minnesota's Luis Rivas and John Barns did it against Anaheim.

SITUATIONAL ROLES: With Ross Gload's appearance out of the bullpen on May 22, the Marlins used two position players as relievers this season. Cody Ross made his first career appearance as a pitcher on April 26 vs. Philadelphia. The last time a team used two position players as pitchers in the same season was in 2007, when both the Arizona Diamondbacks and St. Louis Cardinals did so. For Arizona, Jeff Cirillo and Augie Ojeda appeared in relief while for St. Louis, Aaron Miles and Scott Spezio came out of the bullpen.

IMPOSSIBLE IS PROBABLE: On July 9 at Arizona, the Marlins trailed the Diamondbacks in the sixth inning, 7-0, but came back to win, 14-7. Only two other teams in Major League history have won by seven or more after trailing by seven or more in the sixth inning or later: the Cardinals in 1911 against the Reds (trailed 8–0, won, 15–8) and the Indians in 1999 against the Devil Rays (trailed 10–2, won, 20–11).

-Elias Sports Bureau

Y'ALL COME BACK NOW: The seven-run deficit erased by the Marlins on July 9 matched the largest deficit overcome to win in team history. On June 28, 2003 in Boston, Florida trailed 9-2 after six innings. The Marlins scored four in the eighth and four in the ninth for the 10-9 win.

HITTING HIS STRIDE: According to the Elias Sports Bureau, Chris Coghlan became one of only two National League rookies in the last 60 years to record 47 or more hits in a calendar month, doing so in the month of August. The only other player to do so was Wally Moon in July of 1954, who tallied 52 base hits. Additionally, his 47 hits were the most for a major-league rookie during any month since Ichiro had 51 in August 2001. Coghlan had the most hits in a month for a rookie without the advantage of having a designated hitter lengthening his team's lineup since Minnesota's Tony Oliva in July 1964 (46 hits). Oliva had 49 hits two months earlier (May 1964).

PROCEED TO SEPTEMBER: The following month Coghlan again tallied 47 hits, which tied his ownclub record for hits in a single month and were also the most by a Major league rookie in September since Chuck Klein had 50 in 1928.

WELCOME TO MIAMI: Nick Johnson made his Marlins debut on August 1 after being acquired with cash at the trade deadline for LHP Aaron Thompson. In his first game with the Fish, he reached base in five of his six plate appearances, drawing two walks, collecting two hits, while also being hit by a pitch. He became the first player in franchise history to reach base safely five times in their Marlins debut. Three players had previously reached base safely four times: Jeff Conine (April 5, 1993), Carlos Delgado (April 5, 2005) and Emilio Bonifacio (April 6, 2009).

SOUTH FLORIDA FIREWORKS: On August 2 vs. Chicago, Dan Uggla hit the game-tying home run in the bottom of the ninth inning and Cody Ross followed him with a home run of his own, this one to make the Marlins walk-off winners. It was the first time two players connected for back-to-back homers to tie and walk off since Adam Dunn and Joe Randa did so for the Cincinnati Reds on Opening Day in 2005 vs. the New York Mets. It marked the second time the feat had been done in franchise history. The other was September 21, 1996 vs. Houston, when Jeff Conine tied the game and Devon White won it, with both home runs coming off Billy Wagner.

FOUR THE RECORD: With his home run on August 5 at Washington, Dan Uggla became one of only two second-baseman in Major League history to hit 20+ home runs in their first four Major League seasons, joining the New York Yankees' Joe Gordon (1938-41). He is the first Marlin in club history to reach the mark each of his first four ML seasons, and fourth Marlin to record 20-or-more home runs in four consecutive seasons. He is one of only three current Major Leaguers to post 20+ home runs through their first four seasons. St. Louis' Albert Pujols is the leader with nine straight to open his career, while Mark Teixeira has seven consecutive 20+ home runs seasons.

MULTIPLES: From August 1-9, Chris Coghlan established a franchise record by posting multiple hits in eight consecutive games. He bested the previous club mark of seven, which was done twice by Juan Pierre (August 28-September 7, 2004 and September 26-October 2, 2004) and once by Miguel Cabrera (August 6-13, 2006). He became the first Major League rookie to post two or more hits in eight consecutive games since the Reds' Dan Driessen put together eight straight multiple-hit games for the Reds in 1973. -Elias Sports Bureau

RUNNING ON ALL CYLINDERS: From August 8-16, Florida scored six or more runs in eight consecutive games, which marked the longest such streak in club history. The previous record was six, done from June 26 to July 1, 2003.

SUNDAY BEST: The Marlins combined for 30 hits in August 16 vs. Colorado doubleheader against the Rockies, setting a new club record for the most hits in a doubleheader. The previous high was 28, done on August 18, 1995 at Pittsburgh. The last Major League team with 30 or more combined hits on the same day was the Kansas City Royals on September 13, 2008 (31).

CENTURY CLUB: On Sept. 6, Hanley Ramirez hit his 100th career home run in his 595th game. He became the 4th-fastest player, whose primary position was shortstop at the time of his 100th home run, by games, to hit 100 home runs. Alex Rodriguez hit his 100th homer in his 470th game. Nomar Garciaparra hit his in game #491. Ernie Banks hit his 100th homer in his 500th game. In addition, only two active players reached 100 HR/100 SB in fewer games than Ramirez: Alfonso Soriano (525 games) and Alex Rodriguez (532). Research done by Elias Sports Bureau.

BUSTIN' OUT: To put an exclamation point on an amazing month of August, the Fish put together a streak that had not been done by another National League team in 80 years. From August 4-19, Florida tallied 10-or-more hits in 15 consecutive games to match the NL's 1929 New York Giants. The last team in Major League history to put together a streak as long as the Marlins was the 1937 St. Louis Browns. It equaled the fourth longest streak in Major League history since 1900, with only the 1925 Cleveland Indians (18 games), 1922 St. Louis Browns (18 games) and 1900 Philadelphia Phillies (16 games) having longer streaks than the Marlins (see chart below). - Elias Sports Bureau

CREATING RUNS: Hanley Ramirez became the ninth different Marlin (13th time) to record 100 RBI in a season, and the first since Miguel Cabrera in 2007, when he drove in his 100th run on September 17 in Cincinnati. He also became the second Marlin to drive in 100 runs and steal 20 or more bases in a single season, joining Preston Wilson, who had 36 stolen bases and a club-record 121 RBI in 2000. Additionally, only three Marlins have driven in 100 and scored 100 runs in one season: Miguel Cabrera (3x: 2005-07), Cliff Floyd (2001) and Gary Sheffield (1996).

HISTORICAL FIGURE: Dan Uggla hit his 30th home run of the season in the Marlins win in the second game of a September 22 doubleheader against the Phillies, his third consecutive season of 30-or-more homers. He is the first player in MLB history to hit 30-or-more home runs in three straight seasons in which he played at least 100 games at second base. Ryne Sandberg (1989-90), Alfonso Soriano (2002-03) and Chase Utley (2008-09) are the only other players to do that in two straight seasons. –Elias

OFF THE BENCH: Ross Gload set the club standard for hit and RBI as a pinch hitter, with 21 and 15 respectively. The old marks were held by Lenny Harris, who had 19 hits and 14 RBI in 2005. With Wes Helms, the duo became the first pair of Marlins to record over 10 RBI each as a pinch hitter in the same season.

CLUBBIN': With his pinch hit home run on September 23 vs. Philadelphia, Gaby Sanchez became the second Marlin in club history to record their first two career home runs as a pinch hitter. Bruce Aven was the first to do so, as he connected on April 15 at Shea Stadium and May 7 at Dodger Stadium in 1999. Sanchez's home run marked the Marlins eighth of the season, which tied the franchise record, also done in 1999.

ABOVE AVERAGE: Chris Coghlan posted the highest batting average (.321) ever by a Marlins rookie, besting the previous mark of .292 done by Jeff Conine in 1993 and Hanley Ramirez in 2006. Since 1990, only six NL rookies have hit .300 or better in a full season: Albert Pujols, .329 (2001); Chris Coghlan, .321 (2009); Mike Piazza, .318 (1993); Todd Helton, .315 (1998); Scott Podsednik, .314 (2003); Marlon Byrd, .302 (2003).

FIRST IN THE BOOKS: Hanley Ramirez became the first Marlin ever to win a National League batting crown with his .342 average, beating out Pablo Sandoval (.330) and Albert Pujols (.327). Prior to Ramirez this season, the closest any Marlin had come to winning a title was Miguel Cabrera, who posted a .339 average in 2006, finishing second to Freddy Sanchez by only .005 points.

AND THE WINNERS ARE: Prior to the final game of the season, the South Florida chapter of the Baseball Writers Association of America presented their annual awards. This year's winners were:

Most Valuable Player .....Hanley Ramirez
Rookie of the Year .....Chris Coghlan
Jeff Conine Mr. Marlin Award .....Wes Helms
Charlie Hough Good Guy Award .....Cody Ross

HIS NAME IS ROY: Chris Coghlan was named the Jackie Robinson National League Rookie of the Year by the BBWAA following the season after posting a .321 average with nine home runs and 47 RBI over 128 games. He ranked sixth in the NL in batting and led all Major League rookies in average, runs (84), hits (162), doubles (31), total bases (232), multi-hit games (51), on-base percentage (.390) and OPS (.850). He led all NL rookies in slugging percentage (.460) and ranked second in extra base hits (46), third in walks (53), and fifth in triples (6) and RBI (47).

Coghlan became the third Marlin to come away with NL ROY honors, following the accomplishments of Dontrelle Willis in 2003 and Hanley Ramirez in 2006.

POST-SEASON FIRSTS: The Florida Marlins played their first franchise post-season game on September 30, 1997, a 2-1 win over the San Francisco Giants in Miami. RHP Kevin Brown threw the first playoff pitch in franchise history, to CF Darryl Hamilton. Brown collected the first Florida post-season strikeout, fanning J.T. Snow to lead off the second inning. Brown retired the first 14 Giants he faced before allowing the first hit to an opponent, a single to Stan Javier with two out in the fifth inning. Florida's first post-season batter was Devon White, who faced Kirk Rueter and popped out to second baseman Jeff Kent. The first Marlin to reach base was Gary Sheffield, on a two-out first-inning walk. The first Florida hit came off the bat of Bobby Bonilla, following the Sheffield walk. The first run allowed by Florida came in the top of the seventh, when Bill Mueller hit a leadoff homer. The Marlins scored their first run in the bottom of the inning, on a Charles Johnson leadoff homer.

A FIRST FOR EVERYTHING: The Marlins became the first team to qualify for the post-season and win the World Series as a Wild Card. At the time, Florida was the fastest expansion team to win the World Series, done in their fifth season. The Arizona Diamondbacks surpassed Florida's mark, winning their World Series title in 2001, their fourth season.

RECORD WINNING STREAKS: The Marlins were the third team in post-season history to sweep their first playoff series in team history, joining the 1914 Braves, who swept the Philadelphia A's, and the 1969 New York Mets, who swept Atlanta. Florida began its post-season run with four straight wins, only the second team in baseball history with a franchise-opening playoff win streak of four or more games. The Braves won five straight games to open their post-season history, a four-game sweep in the 1914 World Series and a win over Cleveland in the 1948 playoffs.

NATIONAL LEAGUE DIVISION SERIES NOTES

SWEEPING SUCCESS: With their 3-0 sweep over the Giants, the Marlins became the fastest expansion team to win a post-season series (surpassed by Arizona in 2001). Prior to the Marlins, the fastest NL team to win a playoff series was the New York Mets, in their eighth season. The Marlins won each of the three games over the Giants in comeback fashion, including games one and two in their final at-bats. The 1997 Marlins led the Majors with 24 last at-bat victories in the regular season.

NATIONAL LEAGUE CHAMPIONSHIP SERIES NOTES

LIVAN MOST VALUABLE, PART 1: Livan Hernandez went 2-0 with a 0.84 ERA in two appearances (one start) in the NLCS vs. Atlanta. He became the first pitcher in LCS history to record a win as both a starter (Game 5) and as a reliever (Game 3) in the same series. In Game 5, Hernandez established an NLCS record and tied an LCS record with 15 strikeouts, the second-highest strikeout game in post-season history. His 2-1 three-hit win in Game 5 was his first Major League complete game.

NUMBERS DON'T ALWAYS MATCH UP: The 1997 Marlins became the second team to advance to the World Series despite posting a lower batting average and higher ERA than their LCS opponent. The Braves outhit the Marlins .253 to .199 and had a 2.60 ERA, compared to Florida's 3.57. The first time it happened was in 1992, when the Braves topped the Pittsburgh Pirates, in a series managed by Bobby Cox and Jim Leyland.

WORLD SERIES NOTES

LIVAN MOST VALUABLE, PART 2: Livan Hernandez (2-0, 5.27 ERA) became the second rookie in MLB history to win the World Series MVP award, joining Larry Sherry of Los Angeles, who claimed the honor in 1959. Hernandez also became the first rookie pitcher in 50 years to win two World Series starts. The last rookie to do it was the Yankees' Spec Shea in 1947. Hernandez became the youngest pitcher to win a World Series opener at the age of 22 years, seven months and 28 days. He was the first rookie to win a Series game since Atlanta's Mike Stanton on October 23, 1991 (G4 vs. MIN) and first rookie starter to win since Baltimore's Storm Davis on October 15, 1983 (G4 at PHI). Prior to Hernandez, the last rookie starter to win a Series opener was Philadelphia's Bob Walk (October 14, 1980 vs. KC).

JIM LEYLAND: Marlins manager Jim Leyland became the first World Series manager not to have played in a Major League game since Boston's John McNamara in 1986. The last National League skipper without Major League playing experience was Philadelphia's Paul Owens in 1983. Leyland became the first manager to win his World Series debut since Cincinnati's Lou Piniella on October 16, 1990, vs. Oakland.

BRRR: In Game Three of the World Series, October 21, the Marlins and Indians played in 15-degree wind chill temperatures, the coldest World Series game ever played, according to records kept.

PLAYING EXTRAS: Game seven of the World Series, won by Florida, 3-2, on an Edgar Renteria single off Charles Nagy in the bottom of the 11th inning, was the third seventh game in World Series history to go to extra innings. The others were played in 1924 and 1991.

NOTABLE ACCOMPLISHMENTS: Jeff Conine became the first player to go from the expansion draft to the World Series with the same team. Conine was selected from Kansas City with the 22nd pick in the 1992 expansion draft. Conine and Alex Arias are the first players to play for a team in its inaugural season and reach the Fall Classic since the Mets' Ed Kranepool in 1969.

A WINNING DEBUT: The Marlins won their first-ever World Series game, October 18, 7-4 over Cleveland at home. The last two teams playing in their first World Series games won, the last being Toronto in 1992.

ALTERNATING WINS: The Marlins won World Series games one, three, five and seven, while the Indians took games two, four and six. It marked the third time in World Series history that teams alternated victories in all seven games, joining the 1909 Fall Classic between the Pirates and Tigers and the Yankees and Giants in 1962.

A HEART-STOPPER: Game Seven of the World Series marked the fourth time in World Series history that a winner-take-all game in the Fall Classic went into extra innings, along with the 1991 Series (MIN vs. ATL), the 1924 Series (WAS vs. NYG) and the 1912 Series (BOS vs. NYG). Overall, it marked the seventh time that a deciding World Series game went to extra innings, along with the 1933, 1939 and 1996 games. The 1997 Series was the 10th time a Fall Classic was won by the home team in the bottom of the ninth inning or later (with 1912, 1924, 1927, 1929, 1935, 1953, 1960, 1991 and 1993) and the fifth time in a winner-take-all situation.

WINNING A PAIR

The Marlins are one of three of Major League Baseball's expansion teams to win multiple World Series. Florida accomplished the feat in their first 11 seasons, the fastest among their expansion-mates.

EXPANDING INTO THE POSTSEASON

In only their fifth season, the Marlins became the fourth Expansion team to win the World Series. At the time, the Marlins were the fastest Expansion team to win a World Series title and the second-fastest to reach the playoffs.

The Marlins entered the 2003 post-season as the National League's Wild Card entry, the fourth team in Major League Baseball history to enter the playoffs as the Wild Card multiple times. The Marlins (also Wild Card in 1997), joined the New York Mets (1999 and 2000), the New York Yankees (1995 and 1997) and the Boston Red Sox (1998, 1999 and 2003). Florida is one of three Major League Baseball expansion teams to make the post-season at least twice in their first 11 seasons. Kansas City came into play in 1969 and made the post-season in 1976, 1977 and 1978. Arizona began play in 1998, and saw post-season action in 1999, 2001 and 2002. The Marlins are one of five teams to advance to the World Series as a Wild Card team and one of two (with Anaheim in 2002) to win it.

SIX STRAIGHT: The Marlins concluded the World Series with wins in each of their six playoff series to open the Club's franchise history. The six straight playoff series wins surpasses the mark of consecutive post-season series wins to begin a team's playoff history, done by the Boston Red Sox, 1903-1918. Of the 29 Major League franchises who have participated in post-season play, the Marlins are the only ones never to lose a series.

A WILD POST-SEASON: During the 2003 post-season, the Marlins posted three extra-inning victories, notched three wins when trailing by three or more runs and collected four wins in their final at-bats. According to Jayson Stark on ESPN.com, the Marlins are the fourth team in post-season history with three extra-inning wins and are the fourth team to win three games when trailing by three or more runs. Additionally, no post-season team had ever won more than four games in their last at-bat.

RECORD-SETTING CROWDS: The NLCS Game 4 crowd of 65,829 against the Cubs on October 12 set a new LCS attendance record, surpassing the previous mark of 65,476 (HOU @ PHI on 10/8/80). The Marlins also set a DS attendance record, drawing 65,464 in Game 4 vs. San Francisco (October 4). The October 23 World Series crowd of 65,975 was the largest World Series crowd since Game 7 of the 1997 Series when the Marlins drew 67,204 to see Florida host the Cleveland Indians.

NATIONAL LEAGUE DIVISION SERIES NOTES

A SERIES FOR THE AGES: The NL Division Series between the Marlins and Giants featured 72 year-old Jack McKeon and 68 year-old Felipe Alou. McKeon was the oldest manager to participate in post-season play in Major League Baseball history, while Felipe Alou was the fourth-oldest. Below is a look at the list:

JACK McKEON	2003 FLORIDA	72 YEARS OLD
Casey Stengel	1960 New York (AL)	70 years old
Connie Mack	1937 Philadelphia (AL)	68 years old
Felipe Alou	2003 San Francisco	68 years old
Tommy Lasorda	1995 Los Angeles	68 years old

The two opposing skippers in this NLDS, Jack McKeon and Felipe Alou, had a combined age of 140 years, the highest combined age of any two managers facing each other in post-season history. Below is a look:

COMB. AGE	YEAR	TEAMS	MAN.
140	2003	FLA-SF (DS)	McKeon / Alou
128	1958	NYY-ATL (WS)	Stengel / Haney
126	1957	ATL-NYY (WS)	Haney / Stengel
123	1949	BRO-NYY (WS)	Shotton / Stengel
118	1953	BRO-NYY (WS)	Dressen / Stengel

WHAT WAYS TO WIN IT: The Marlins closed out their series with the Giants in rather historic ways. On Friday, October 3, the Marlins downed the Giants, 4-3 in 11 innings. The Giants scored an unearned run in the top of the 11th and the Marlins countered with two unearned tallies in the bottom. It marked the first time since Game 8 of the 1912 World Series that a team came from behind to win a post-season game with two unearned runs in the bottom of an extra inning, according to the Elias Sports Bureau.

The Marlins followed that classic ending with more excitement on Saturday afternoon, October 4, when the Fish ended the NLDS with a 7-6 win over the Giants. The game ended as Jeff Conine threw out J.T. Snow at home plate off a Jeffrey Hammonds single to left. According to the Elias Sports Bureau, the event marked the first time in Major League Baseball post-season history that a series ended with the tying run being thrown out at home plate.

CABRERA MATCHES POST-SEASON MARK: Miguel Cabrera went 4x5 in Game 4 of the National League Division Series vs. San Francisco. The four hits tied a Major League post-season record for hits by a rookie, joining NYY's Derek Jeter (1996 ALCS G1), LA's Chad Fonville (1995 NLDS G2), NYG's Freddie Lindstrom (1924 WS G5) and STL Browns' Joe Garagiola (1946 WS G4).

Cabrera had four home runs and 12 RBI in the 2003 post-season, the best single-season rookie home run and RBI marks in MLB playoff history. Entering this post-season, Willie McGee (1982 STL) held the rookie RBI mark at 10. Hideki Matsui had 11 RBI in the 2003 playoffs, one behind Cabrera.

OH THOSE LEFT ON BASE: The Marlins and Giants combined to leave 30 men on base on October 3, setting a new NLDS record. The previous mark was 26, done by the Giants (16) and Mets (10) in a 13-inning contest on October 7, 2000.

NATIONAL LEAGUE CHAMPIONSHIP SERIES

PINCH ME: Mike Lowell became the sixth player in MLB post-season history to hit a pinch-hit home run in extra innings when he homered in the top of the 11th inning on October 7 at Chicago. Below is a look at the all-time post-season extra-inning PH homer list:

MIKE LOWELL (FLA)	G1 2003 NLCS at CHC
Trot Nixon (BOS)	G3 2003 ALDS vs. Oak
Mike Pagliarulo (MIN)	G3 1991 ALCS at TOR
George Vukovich (PHI)	G4 1981 NLDS vs. MON
John Lowenstein (BAL)	G1 1979 ALCS vs. CAL
Dusty Rhodes (SF)	G1 1954 WS vs. CLE

HOMERS SHALL FLY: The Marlins hit a team post-season high four home runs on October 7 at Chicago. Three of the homers (by Rodriguez, Encarnacion and Cabrera) came in the third inning, marking the first time in NLCS history that a team homered three times in an inning. Cabrera and Encarnacion's homers were back-to-back, the seventh time in NLCS history that a team had players hit back-to-back homers.

A RECORD-SETTING NIGHT: The 17 extra-base hits by the Marlins and Cubs on October 7 set a new LCS record, surpassing the previous mark of 12, done on October 5, 1975 (OAK and BOS) and October 9, 1993 (PHI and ATL). The seven HR by both teams also set a new LCS record.

CABRERA AMONG THE YOUNGEST: On October 7 at Chicago, Miguel Cabrera became the second-youngest player to homer in the post-season, at 20 years, 182 days. The youngest player to go deep in the playoffs was Atlanta's Andruw Jones (19.178) on 10/17/96 vs. STL.

DONTRELLE WITH THE BAT: Dontrelle Willis became the first Marlins pitcher to collect a multi-hit game in post-season play as he went 3x3 on October 4 vs. SF. Willis' three hits set a post-season rookie pitcher record. He was the first pitcher to post a three-hit post-season game since LA's Orel Hershiser did it in game two of the 1988 World Series vs. Oakland.

BECKETT'S BEST: The Marlins forced a Game 6 in the NLCS as RHP Josh Beckett threw the first complete game (CG SHO) of his career (regular and post-season) on October 12. The two-hit shutout by Beckett tied the NLCS record for fewest

hits allowed in a complete game, joining CIN's Ross Grimley (10/10/72), NY's Jon Matlack (10/7/73) and SF's Dave Dravecky (10/7/87). Beckett's effort was the 15th complete game shutout in NLCS history. Beckett became the first pitcher to shut out the Cubs in a post-season game since Boston's Babe Ruth, who blanked the Cubs in Game 1 of the 1918 World Series.

IN SELECT COMPANY: According to research by ESPN, Josh Beckett became the third pitcher in post-season history to throw a complete game shutout, allowing two hits or less and fanning 10 or more. Beckett joins Roger Clemens (2000 ALCS vs. SEA, 15 K) and Big Ed Walsh (1906 WS vs. CHC, 12 K) on that list.

IN AN ELIMINATION GAME: According to Jayson Stark of ESPN.com, Beckett became the fourth pitcher in the last 40 years to pitch a CG SHO with his team facing elimination (excluding G7's in LCS or WS or G5's in DS). Beckett joins the list with Curt Schilling (1993 WS), Danny Jackson (1985 ALCS) and Joe Coleman (1972 ALCS).

BIG INNING: The Marlins scored all eight of their runs in the eighth inning on October 14 at Chicago in an 8-3 win. The eight-run inning established a Marlins playoff record, surpassing their previous best of seven, done in the ninth inning of Game 3 of the 1997 World Series (October 21). The eight-run inning also ties an overall Marlins' record for runs scored in an inning, done for the ninth time overall and the first time since July 25, 2003 vs. PHI. The Fish were one run from tying the all-time NLCS record (nine), done by St. Louis in the second inning on October 13, 1985 vs. LA.

According to ESPN, the Marlins became the fifth team in LCS history to come back from a three-run or greater deficit in post-season play to win when facing elimination, and the first since Game 5 of the 1986 ALCS (Game 5 - Boston at California).

BACK FROM 3-1: The Marlins became the fourth team in LCS history (since 1985) to overcome a 3-1 deficit to capture the pennant. Prior to Florida's accomplishment, only one NL team had done it, the 1996 Atlanta Braves, who won three straight over St. Louis to advance to the World Series. Below is a look at the list of 3-1 LCS comebacks:

Year	LCS comebacks	World Series result
1985	KC over Toronto	KC over STL (4-3)
1986	Boston over California	NYM over BOS (4-3)
1996	Atlanta over St. Louis	NYY over ATL (4-2)
2003	Florida over Chicago	FLA over NYY (4-2)
2007	Boston over Cleveland	BOS over COL (4-0)

AN MVP PERFORMANCE: Marlins catcher Pudge Rodriguez was named the NLCS Most Valuable Player, as he hit .321 (9x28) with two home runs and 10 RBI. The 10 RBI set a new NLCS record, surpassing the previous mark of nine, done by San Francisco's Matt Williams in 1989. Rodriguez became the fifth catcher in NLCS history to win MVP honors. Pudge joins STL's Darrell Porter (1982), ATL's Javy Lopez (1996), ATL's Eddie Perez (1999) and SF's Benito Santiago (2002).

A TOUGH TRICK TURNED: The Marlins advanced to the World Series by winning consecutive road games trailing three games to one, a feat done for the fifth time in post-season history: 1958 (NYY over MIL Braves in WS), 1968 (DET over STL in WS), 1979 (PIT over BAL in WS), 1985 (KC over TOR in ALCS) and 2003 (FLA over CHC in NLCS).

WORLD SERIES

The Marlins became the first team in MLB history to reach the World Series as a Wild Card entry twice.

OF HISTORIC SIGNIFICANCE: The Marlins became the third expansion team to win multiple World Series, joining the New York Mets and Toronto Blue Jays. The Jays won their two World Championships in their first 17 seasons, while the Mets did it in their first 25 campaigns. The Marlins won two World Championships in their first 11 Major League seasons. The Marlins would become the first team in the post expansion era to accomplish the feat.

JACK McKEON: Marlins manager Jack McKeon became the second manager in Major League Baseball history to lead his team to a World Series championship after taking over his Club during the season. The first manager to accomplish the feat was the Yankees' Bob Lemon in 1978, when he replaced Billy Martin.

EXPANSION NOTABLES: The Marlins were one of five expansion teams to reach the World Series multiple times. The New York Mets lead the list with four Fall Classic entries (win in 1969, loss in 1973, win in 1986 and loss in 2000). The Marlins, San Diego Padres (loss in 1984 and loss in 1998), Toronto Blue Jays (win in 1992, win in 1993) and Kansas City Royals (loss in 1980 and win in 1985) have each made two World Series appearances.

AGE IS A STATE OF MIND: Marlins manager Jack McKeon became the oldest skipper to lead his team to the World Series, as the Series opened with McKeon 72 years and 329 days old. McKeon is ahead of Casey Stengel (70.067 in 1960 with NYY), Connie Mack (68.283 in 1931 with PHA), Stengel (68.063 in 1958 with NYY), Mack (67.283 in 1930 with PHA) and Stengel (67.064 in 1957 with NYY).

McKeon was the first manager since Philadelphia's Paul Owens (in 1983) to lead his team to the World Series after not beginning the season as that Club's skipper.

HOW DO YOU DO, MR. GONZALEZ: Alex Gonzalez hit a walk-off homer off the Yankees' Jeff Weaver in the bottom of the 12th inning on October 22. It marked the first walk-off homer in Marlins post-season history and holds significance in Baseball history. It marked the 13th time that a World Series game ended on a home run and the first time since October 31, 2001 (G4 vs. ARI), when Derek Jeter homered in the bottom of the 10th inning.

According to research done by ESPN, Gonzalez was the third player in Baseball history to have his first career post-season homer come as a World Series walk off, joining Dusty Rhodes (1954 NYG vs. CLE) and Eddie Mathews (1957 MIL Braves vs. NYY). ESPN also noted that Gonzalez was the third player to hit a walk-off homer against the Yankees in World Series play, joining Bill Mazeroski (1960 G7) and Mathews (1957 G4).

A PENNY FOR YOUR THOUGHTS: RHP Brad Penny went 2-0 with a 2.19 ERA in two World Series starts against the Yankees. Penny became the 13th pitcher to beat the Yankees twice in the same Series, joining Sandy Koufax, Bob Gibson and Randy Johnson as the only four to do so in the last 40 years.

BECKETT NAMED WORLD SERIES MVP: Josh Beckett (1-1, 1.10 ERA in WS) became the youngest World Series MVP since 22 year-old Livan Hernandez claimed the honor for the Marlins in 1997. Beckett became the first pitcher since Minnesota's Jack Morris in 1991 to pitch a complete game shutout in a deciding World Series game, the 19th overall in baseball history. It was the first complete game shutout in a World Series game since Arizona's Randy Johnson on October 28, 2001 at New York. Beckett's five hits were the fewest hits in a deciding complete game shutout since Baltimore's Scott McGregor (5) in 1983. He became the youngest pitcher to win a deciding World Series game (23 years, 5 months, 10 days) since Kansas City's Bret Saberhagen (21.6.16) in 1985. Beckett fanned 47 batters in the 2003 post-season, tying Randy Johnson (2001) for second most strikeouts in a single post-season behind Arizona's Curt Schilling in 2001 (56).

MINOR LEAGUE RECAP

HONOR ROLL: The Marlins farm clubs showed the parent club the potential it has to look forward to in the near future. The Jacksonville Suns and the GCL Marlins went deep into the playoffs with the Suns walking away with the franchise's fourth Southern League Championship. This year's farm system also went on to produce 12 Players of the Week, 22 All-Star selections, and this year's MiLB save leader Matt Peterson, who spent the entire 2009 season in AA Jacksonville. In addition, the Florida Marlins named right-handed pitcher Cristhian Martinez and outfielder Michael Stanton with the honor of the organization's Pitcher and Player of the Year for 2009, respectively.

Martinez, 27, went 9-3 with a 2.94 ERA (104.0 IP/34 ER) in 17 appearances with the Jacksonville Suns, allowing only 96 hits and a .249 average against. To start the season, he posted a 3-1 record and 1.85 ERA (24.1 IP/5 ER) in four May starts for the Suns. He initially had his contract selected by Florida on May 21, and in four stints with the Marlins went 1-1 with a 5.13 ERA (26.1 IP/15 ER) in 15 appearances. Martinez earned his first Major League win on June 1st against the Milwaukee Brewers, tossing 1.2 innings of relief. Martinez joined the organization in the Triple-A phase of the 2006 Rule 5 Draft, from the Detroit Tigers.

Stanton, 19, finished the year with a combined batting average of .255, .339 on-base percentage, and .501 slugging percentage in 79 games for the Jupiter Hammerheads and 50 games for the Suns. Stanton scored 76 runs, while collecting 24 doubles, five triples, 28 home runs and 92 RBI. The Marlins' 2nd round pick of the 2007 First-Year Player Draft, from Notre Dame HS (CA), led the organization in home runs and RBI.

FUTURE FISH: For the second consecutive season the Florida Marlins sent a lone representative to the MLB Futures Game. Outfielder Mike Stanton, who spent the majority of the 2009 season with AA Jacksonville Suns, held the honor this year. Stanton came into the game as a pinch hitter for the U.S. team, going 0-1 with a walk as a the U.S. fell to the World team, 7-5, in the final frame of play. Stanton, a second round pick by the Marlins in the 2007 First-Year Player Draft, was ranked Florida's second best prospect by *Baseball America* prior to the start of the season.

WHAT DOES IT TAKE TO BE #1: This June the Florida Marlins ended their streak of selecting a native of the Southern California area with their first round draft pick. Instead, the Fish looked to Oklahoma and found LHP Chad James. James, a senior from Yukon High School, finished his senior year 8-2 with a 1.23 ERA. In 63 1/3 innings pitched, Chad struckout 100 batters, walked 33 and allowed only nine runs while drawing comparisons to Boston's Jon Lester. In rounds 2 & 3 of the draft the Marlins looked back to California and took RHP Bryan Berglund (Royal, H.S.) and OF Marquis Cooper (Edison H.S.).

CALLED UP: The 2009 regular season marks the second straight season in which the Marlins have used twelve rookies throughout the season. Rookie sensation Chris Coghlan made an immediate impact with the club after getting called up from triple-A New Orleans after just 25 games. In August and September, Coghlan set club records for hits in a month, tallying up 47 in both. Furthermore, he led the Major Leagues in hits after the All-Star Break with 113 to establish another club mark. Chris Coghlan ended his rookie campaign batting .321, the highest avgerage among all Major League rookies and was named the Jackie Robinson National League Rookie of the Year by the BBWAA. LHP Sean West went 8-6 with a 4.79 ERA and solidified himself as a starter for the Fish during the 2009 season.

CHAMPIONSHIP: In 2009 two of the Marlins farm clubs reached not only the post-season but the championship round of their respected leagues. The Jacksonville Suns (AA) won the franchise's fourth Southern League Championship after defeating the Tennessee Smokies three-games-to-one in the best of five series. Across the state in the Gulf Coast League, the Marlins rookie team coasted through the regular season on their way to a league best 38-17 record. The GCL won their division and defeated the GCL Yankees to earn a trip to the chamionship round where they dropped the best of three series to the GCL Nationals.

ZEPHYR FIELD

Celebrating its 14th year in 2010, Zephyr Field - "the Shrine on Airline" - has become the focal point for family entertainment in the Greater New Orleans area. Over four million fans have attended a variety of events at the stadium since it first opened April 11, 1997. The Zephyrs have drawn more than 320,000 fans in each of their ten seasons on Airline after drawing fewer than 200,000 in each of their four seasons at Privateer Park.

In the aftermath of Hurricane Katrina in 2005, Zephyr Field served as a staging area for rescue operations by FEMA and the National Guard. On April 6th, 2006 Zephyr Field opened its gates to an opening day crowd of 11,006 to kick off a season that would see the New Orleans Zephyrs become the first professional sports team to permanently return to New Orleans following Katrina.

Recently, Hollywood has also taken notice of Zephyr Field, as the ballpark is featured in the 2004 film "Mr. 3000" and the 2006 film "Failure To Launch."

The state of Louisiana paid $21 million to build Zephyr Field as part of a capital outlay bill that also included the New Orleans Saints' state-of-the-art practice facility, as well the New Orleans Arena, which is adjacent to the Superdome.

BASEBALL GROUNDS

The Baseball Grounds of Jacksonville, which opened in 2003, is one of the premier minor league ballparks in North America. The ballpark was the first completed project of the Better Jacksonville Plan. Featuring an old-fashioned design, brick facade and a grass seating berm, the Baseball Grounds reminds fans of the days of yesteryear and preserves all of the wonderful tradition baseball has to offer. The vivid sightlines capture the action up-close while providing fans with comfortable seating and easy access to concessions and restrooms. The playing field boasts the longest distance between home plate and center field in the Southern League at 420 feet.

The Baseball Grounds was built for an estimated $34 million, paid for by Jacksonville residents as part of a tax approved in 2000 to fund the "Better Jacksonville Plan," an initiative to improve the city's infrastructure. The adjacent Jacksonville Veterans Memorial Arena was also funded through the plan and was completed in November 2003.

Including berm and bleacher seating, The Baseball Grounds can accommodate up to 11,000 fans per game, and also featuring 12 luxury boxes, four skydecks, a playground, and the "knuckle," a unique nine-foot high mound for seating at the left field corner.

RUSSELL E. DIETHRICK, JR. PARK

Built in 1941 Russell E. Diethrick, Jr. Park is the second oldest ballpark in the NY-Penn League. The stadium is owned by the City of Jamestown with the Jammers leasing it as the primary tenant. It was originally known as Jamestown Municipal Stadium and hosted the Jamestown Falcons of the "Pennsylvania-Ontario-New York League" (PONY League), which is now known as the NY-Penn League. The park was later unofficially known as College Stadium after Jamestown Community College relocated their campus right behind the park on Falconer Street in 1961.

On August 9, 1997 the park was renamed Russell E. Diethrick, Jr. Park in honor of Jamestown's "Mr. Baseball." It was dedicated to Mr. Diethrick as he has been player, manager, owner, supporter and friend of professional and youth baseball in Jamestown as a for longer than most can remember. Russ is currently the Community Development Officer for Jamestown Savings Bank. He is an important member of the voluntary Jamestown Jammers Executive Advisory Board, and is the Host President of the Jamestown Babe Ruth World Series Committee and a member of the National Board of Directors for Babe Ruth, Inc.

Diethrick Park has recently seen numerous renovations to modernize the ballpark. By the start of the 2006 Jammers season the park featured a brand new scoreboard and sound system. The Park also hosts all Jamestown Community College and Jamestown High School home baseball games, and the Babe Ruth World Series (most recently will be in 2008) as well as many other local Babe Ruth games.

INTERLEAGUE FACTS

· The Marlins have the eighth-best winning percentage in Interleague Play in the Majors at .548 (120-99), marking the highest in among National League clubs. St. Louis is second (.526), followed by Atlanta (.521), San Francisco (.507) and Houston (.500). The Fish posted a 10-8 record in 2009, tallying the second-most wins in the National League (Colorado-11).

· The Marlins have suffered only three losing seasons in Interleague Play since its inception in 1997: 2000 (8-9), 2004 (7-11) and 2008 (5-10). The Marlins posted a franchise-best 12-3 Interleague record in 1997. It was the best single-season interleague performance by any Major League franchise until 2006, when Boston (16-2), Minnesota (16-2), and Detroit (15-3) trumped the mark.

· Last year, Hanley Ramirez, Cody Ross and Dan Uggla each homered five times vs. American League foes. Their five home runs were tied for third most in franchise history for a single-season, only being outdone by Mike Lowell (7) in 2003 and Derrek Lee (6) in 2002. Ramirez drove in a Marlins single-season Interleague record 24 runs last year, one run more than Bruce Aven in 1999.

GENERAL INFORMATION

CREDENTIAL APPLICATIONS: We are using Major League Baseball's online credentialing system. Media credential applications are now available online at **credentials.mlb.com.**

SEASON CREDENTIALS: Season credentials will be issued only to those legitimate newsgathering organizations that plan to cover the Marlins on a daily basis. Credentials will be issued only to members of the working press 18 years of age and older. No spouses, guests or children of members of the press will be issued credentials. Press passes are not transferable. Credentialed members of the media are prohibited from obtaining autographs, personal photographs or equipment on the playing field, in the dugout or clubhouse. Any violation of these guidelines will result in immediate revocation of credential and future access. Only credentials issued by the Florida Marlins, Major League Baseball or the BBWAA will be honored. Credentials must be visible at all times.

DAILY CREDENTIALS: Daily credentials will be issued to those legitimate newsgathering organizations who do not qualify for season credentials. Any organization that anticipates the need for daily credentials must have a letter on file with the Florida Marlins Media Relations Department. If your affiliation has not previously requested credentials from the Marlins, and the Media Relations Department does not have a letter on file, the letter may be sent by FAX (305) 626-7302 or via email to **credentials@marlins.com**, and it must be received at least one week in advance of the game(s) requested. You will then be informed via e-mail of the status of your credential request. All credential requests must include a valid phone number and e-mail address. Daily credentials are subject to the same restrictions as season credentials and any violation will result in revocation of the credential and any future access.

PHOTO CREDENTIALS: Credentials will be issued to those photographers on assignment for legitimate news gathering organizations and those representatives of companies licensed by Major League Baseball. Photographers for licensees will only be granted daily passes. Priority in all areas will be granted to news organizations on nightly deadlines. No freelance photographers will be granted credentials and all photographs taken are to be used for newsgathering purposes or officially licensed products. Any other use of photographs taken will be considered a violation of the conditions under which the credential is issued and result in no further credentials being issued.

CLUBHOUSE ACCESS: Access to the Florida Marlins clubhouse both before and after games will be limited to those organizations who are filing stories on a daily deadline. Clubhouse access will be granted to all media when special situations arise, as determined by the Marlins Media Relations Department. The clubhouse is open to all media with proper credentials 3 1/2 hours before game time and then closes one hour prior to the start of each game. It re-opens no later than 10 minutes after each game. Policies regarding access between games of doubleheaders and during rain delays will be determined by the Marlins Field Manager. Access to the visiting clubhouse is subject to the visiting club's guidelines.

FIELD ACCESS: All credentialed members of the media will be given access to the playing field prior to each game. No media will be allowed in fair territory or beyond the first and third base bags. All non-uniformed personnel must clear the field at the conclusion of visitors batting practice unless that individual has credentials expressly for in-game field privileges (photo passes, pregame ceremonies, etc.). Live shots are permitted on the field until 35 minutes prior to the first pitch.

LIVE TRANSMISSIONS: Television and radio stations not holding broadcast rights for Marlins games will be allowed to transmit live reports prior to and after Marlins games. All live television shots will be done on the field. No live shots will be permitted from the clubhouses. No live transmissions inside the stadium by non-rightsholders will be permitted while the rightsholder is on the air or the game is in progress. Radio stations will be permitted to provide "scene setters" and score updates between innings but these reports may not continue once an inning is underway. Any violations of these policies will result in revocation of credentials.

ROVING CAMERAS: Roving cameras must obtain prior approval from the Marlins Media Relations Department. After permission is granted, cameras are permitted to roam in all public areas other than the Club (Blue) level and the Picnic Area. Specific requests must be made before access to the Picnic Area will be granted. While roving, all photographers must not block any aisles or the views of any fans. Failure to adhere to these guidelines will result in the revocation of roving privileges for both the individual photographer and for the news organization that photographer represents.

ADMISSION TO SUN LIFE STADIUM: All media covering Marlins baseball may enter Sun Life Stadium through Gate H which opens four hours prior to game time. Media may pick up their credentials at Gate H Will Call four hours prior to game time. The window is open until one hour after scheduled start time, after which credentials may be picked up by calling the press box. All other Media who require their credentials prior to the opening of the Gate H window should see Marlins reception at Gate G.

PRESS BOX AND PRESS LOUNGE: Admission to the Sun Life Stadium press box will be limited to those individuals with appropriate credentials. These include: Marlins season and single-game credentials, BBWAA cards, Major League Baseball Working Press, Radio and Photographer passes and scouts with appropriate identification. Those individuals with the proper credentials will be able to purchase food in the Press Lounge (located directly behind the Press Box) from 2 1/2 hours before game time through the end of the third inning of each game. The Press Lounge area is considered a part of the working press area and only individuals with proper working credentials will be admitted at all times. No guests will be permitted.

AUTOGRAPH REQUESTS: As noted earlier, no members of the media may use their access to solicit autographs, personal photographs or equipment from players or staff of either participating team. Any autograph needs should be directed to the Florida Marlins Community Affairs Department in writing. Failure to do so will result in revocation of credential privileges and forfeiture of any items obtained.

BATTING AVERAGE (AVG.): Divide the number of hits by the number of at bats.

EARNED RUN AVERAGE (ERA): Multiply the number of earned runs by nine and then divide that number by the number of innings pitched.

FIELDING AVERAGE (PCT.): Divide the total putouts and assists by the total of putouts, assists and errors.

MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

ON-BASE PERCENTAGE (OBP.): Add the total of hits, walks, hit by pitches and divide by the total of at bats, walks, hit by pitches and sacrifice flies.

SLUGGING AVERAGE (SLG.): Divide the total bases of all safe hits by the total times at bat (at-bats do not include walks, sacrifices, hit-by-pitch, or times awarded first base because of interference or obstruction).

WINNING PERCENTAGE: Divide the number of games won by the total games won and lost.

QUALIFICATIONS FOR BATTING CHAMPIONSHIP: Highest batting average based on a minimum of 502 plate appearances, the equivalent of 3.1 appearances for each of the 162 scheduled games, which may include walks, sacrifices, hit by pitch, etc.

QUALIFICATIONS FOR PITCHING (ERA) CHAMPIONSHIP: Lowest earned run average with a minimum of 162 innings pitched.

QUALIFICATIONS FOR A FIELDING CHAMPIONSHIP: The fielders with the highest fielding average at each position, provided:

(1) A catcher participates as a catcher in at least one-half the number of games scheduled for each club in his league that season.

(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season.

(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each Club in his league that season. EXCEPTION: if another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

NOTE: These figures DO NOT determine Rawlings Gold Glove winners at the end of the season. Those are selected by a vote of managers and coaches.

QUALIFICATIONS FOR A ROOKIE: A player with no more than 130 at-bats or 50 innings pitched in the Major Leagues during the previous season or seasons, nor more than 45 days on a Major League roster during the 25-man player limit (excluding time in military service).

If the team bats around in the inning and a pinch hitter comes up a second time, he will not be considered a pinch hitter the second time.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

BLOWN SAVE DEFINITION: When a relief pitcher enters a game in a save situation and departs with the save situation no longer in effect because he has given up the lead, he is charged with a blown save. If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity. This method has been a part of the Rolaids formula since 1988.

DISABLED LISTS:
15-Day: The player must remain off the active roster for a minimum of 15 calendar days, starting on the day following the player's last game.
60-Day: Same rules apply, however, this may only be used when the team's 40-man roster is full. Any player placed on the 60-day disabled list after August 1 may not play for the remainder of the season, including any post-season game.
EMERGENCY: Maximum number of players on list at one time- no limit. Minimum period of inactivity is 60 calendar days. Players placed on this list after August 1 shall remain there for the balance of the season. This list may only be used when a club is at the maximum limit of 40 players.

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information:
--Six years of Major League Service continues to be required to be eligible for free agency.
--The Re-Entry Draft has been abolished.
--A player has 15 days from the first day following the World Series to file for free agency.
--By December 1, former club must offer to arbitrate or become eligible to sign player. By December 7, player must accept or reject the offer. Should the club fail to tender or renew the contract, the player shall become a free agent without and restrictions or qualifications. The player will be eligible to sign with all clubs including the club which did not offer arbitration.
--If club and player proceed to arbitration, maximum salary cut rules do not apply.
--Player who accepts former club's offer to arbitrate is not subject to repeater rights limitations.

NIGHT GAME: A night game shall be any game with the official starting times fixed after 5:00 p.m. All games, with official starting times fixed for 5:00 p.m., prevailing time, or earlier, shall be "day games."

PLAYER LIMITS: A Major League roster consists of 40 players until Opening Day, when the number must be reduced to 25 until September 1, when it again becomes 40.

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.

SUSPENDED GAME RULE:
Rule 4.12 SUSPENDED GAMES
(a) A league shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:
(1) A curfew imposed by law;
(2) A time limit permissible under league rules;
(3) Light failure or malfunction of a mechanical field device under control of the home club.
(Mechanical field device shall include automatic tarpaulin or water removal equipment.);
(4) Darkness because of any law, the lights may not be turned on;
(5) Weather, if the game is called while an inning is in progress and before it is completed,
and one of the following situations prevails:
(i) The visiting team has scored one or more runs to tie the score, and the home team has not scored.
(ii) The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.
(b) Such games shall be known as suspended games. No game called because of a curfew, weather, or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any time after it starts.
(c) By amending NOTE to read as follows:
NOTE: Weather and similar conditions--4.12(a) (1 through 5)--shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(5)(i) prevails) is a tied game and must be replayed in its entirety.
(d) A suspended game shall be resumed and completed as follows:
(1) Immediately preceding the next scheduled single game between the two clubs on the same grounds; or
(2) Immediately preceding the next scheduled double-header between the two clubs on the same grounds, if no single game remains on the schedule, or
(3) If suspended on the last scheduled date between the two clubs in the city, transferred and played on the grounds of the opposing club, if possible;
(i) Immediately preceding the next scheduled single game, or
(ii) Immediately preceding the next scheduled double-header, if no single game remains on the schedule.
(4) If a suspended game has not been resumed and completed on the last date scheduled for the two clubs, it shall be a called game.
(e) A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the club when the game was suspended may be used as a substitute, even if he has taken the place of a player no longer with the club who would not have been eligible because he had been removed from the lineup before the game was suspended.

SALARY ARBITRATION: Beginning in 1987, three years Major League Service required for eligibility. Beginning in 1987, maximum cut rules do not apply if in immediately preceding year player won arbitration increase of over 50%. Three-man panels will be scheduled to hear cases instead of single arbitrators in 50 percent of the cases in 1998, 75 percent in 1999 and 100 percent in 2000 and 2001. Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries of players with Major League Service no more than one annual service group higher than player who is arbitrating. Beginning in 1991, a player with at least 2 but less than 3 years of Major League Service, shall be eligible for salary arbitration if: a) he has accumulated at least 86 days of service during the immediately preceding season or b) he ranks in the top 17 percent in total service in the class of players who at have at least 2 but less than 3 years of ML service, however accumulated, but with at least 86 days of service accumulated during the immediately preceding season.

1) He is the finishing pitcher in a game won by his club;
2) He is not the winning pitcher; and
3) He qualified under one of the following conditions: he enters the game with a lead of no more than three runs and pitches for at least one inning; or he enters that game, regardless of the count, with the potential tying run either on base, at bat or no deck (that is, the potential tying run is either already on base or is either already on base or is one of the first two batsmen he faces; or he pitches effectively for at least three innings.

TRADING REGULATIONS: The trading deadline is July 31. Trades may be made with any other Major League club in the period from the end of the championship season through July 31 (midnight) without waivers. Waivers are required, however:
1) If the assignment is to another Major League club: From August 1 and ending at 5 pm EDT the day after the end of the season.
2) If assignment is to a minor league club, with right of recall, at any time after three years from the date the player first reported to a major league club during a championship season.
3) If assigned to a minor league club without right of recall, after acquiring three years of service: at any time during the year.
4) If assigned to a minor league club, without right of recall, at any time prior to acquiring three years of service, special waivers are required between September 1 and the opening of the following season. If player is claimed, request may be withdrawn. If no claims are made, club has 7-day period in which to make assignment to minor leagues.

HISTORY OF SUN LIFE STADIUM

Sun Life Stadium: an historical venue for sports and entertainment

Sun Life Stadium is the home to the Miami Dolphins, Florida Marlins, University of Miami Football and the FedEx Orange Bowl. It also hosts a variety of world-class events and concerts including the U2 360 tour in July 2010.

Solid Sporting Event Record

Counting the 2010 Super Bowl, the stadium has hosted five Super Bowls, two Major League Baseball World Series, four College Football National Championships, World Cup friendly matches and a variety of other internationally acclaimed sporting events.

World-class Entertainment Venue

The Rolling Stones, Elton John, Billy Joel, Paul McCartney, The Three Tenors, the Police, Madonna and U2 (returning to Sun Life Stadium in July 2010 with its 360 World Tour) are just some of the top performers who have appeared at the stadium in recent years.

Luxury and Technology Set the Standard

A $250 million capital improvement project in 2007 resulted in a brand new Club Level, a 360,000 square foot facility expansion, refurbished luxury suites, the installation of two of the largest high-definition video boards in the world and 2,100 feet of LED ribbon board spanning 360 degrees plus a new team store.

Historic Highlights:

• 1987 – Joe Robbie Stadium (JRS) stadium opens with 1.2 million square feet, 24,000 plus parking spaces, 75,000 seats and a playing field that meets standards for the National Football League, Major League Baseball and World Cup Soccer. Financing is offset by exclusive patron Club Level and Executive Suite membership – a model for other facilities across the country.

• 1990 – H.Wayne Huizenga, Chairman of the Board and CEO of Blockbuster Video and Huizenga Holdings Inc., purchases fifty percent of the stadium.

• 1991 – South Florida is awarded a national league expansion franchise.

• 1994 – Wayne Huizenga acquires remaining fifty percent of the facility.

• 2005 – Wayne Huizenga starts a major renovation initiative for the Stadium.

• 2007 – The Stadium completes its $250 million capital improvement project including an additional 360,000 square feet.

• 2008 – Wayne Huizenga sells fifty percent of the Miami Dolphins, the Stadium and surrounding undeveloped land to Stephen M. Ross, Chairman of the Related Companies, an international real estate development company.

• 2009 – Stephen Ross purchases another 45 percent of the team and the Stadium; he becomes a 95 percent owner. Wayne Huizenga retains a five percent share and a 50 percent land partnership.

• 2010 – The Stadium becomes Sun Life Stadium on January 20, just four days before the Pro Bowl and 11 days before Super Bowl XLIV. The long-term partnership for stadium naming rights and sponsorship continues Sun Life Financial's commitment to build brand awareness on a national and international scale. The partnership between the Miami Dolphins and Sun Life includes a commitment to the community by bringing the Sun Life Rising Star Awards program – recognizing and rewarding exceptional at-risk youth and the non-profit organizations which support them – to the South Florida area.

MARLINS MULTICULTURAL MARKETING

SPANISH-LANGUAGE AND MULTICULTURAL CULTURAL EVENTS

Béisbol is a passion played out on grassy fields and dirt plains throughout Latin America and the Caribbean. The Marlins aim to bring this same passion to the diverse community of South Florida. It is the goal of our Multicultural Marketing efforts to take a proactive approach in bringing Los Marlins to our fans in their communities.

Marlins en Miami Store

Marlins en Miami is a full service ticket office and team merchandise store. It is located in the heart of the Hispanic community at 3701 SW 8th Street. The main focus of the store is to serve as a lasting presence for the Marlins in Miami's passionate baseball community. With a staff that is fluent in both English and Spanish, the Marlins serve the Hispanic community by offering general information, individual, group, and season ticket sales, as well as hosting events throughout the season.

Hablando con los Marlins

"Hablando con los Marlins" is a weekly radio show hosted by Jerry Del Castillo on Spanish flagship station WAQI 710AM. The show is broadcast live at Sun Life Stadium two hours prior to each Saturday home game during the season and from different locations in the community when the team is on the road. The show consists of a recap of the week's games, player interviews, trivia, and live calls from our fans.

Fiesta Fridays

Friday nights at the ballpark will take on a distinct Latin flavor with the launch of Fiesta Fridays. It all starts at the Gate H Strike Zone once the gates open with live salsa and merengue music on the main stage. Fans can take part in our weekly Dominos tournament "Dominando con los Marlins" to win Marlins memorabilia. Each Fiesta Friday will also feature a "Latino Legends" autograph session for the first 100 fans. Once the game starts, the home team will take the field wearing their "Los Marlins" jerseys and there will be bilingual PA announcements throughout the game. Latin music will be played throughout the inning breaks along with performances by the Mermaids and Manatees.

Cafecito con los Marlins

Every Friday during the season, the Marlins, in conjunction with Univision Radio station WQBA 1140 AM, host "Cafecitos con los Marlins". The event is a live broadcast with host Eduardo Gonzalez-Rubio along with sports commentator Pedro Milian and Marlins Multicultural Marketing Director Juan Martinez each week from 10 a.m. to 11 a.m. The show originates from a different location in the Hispanic community each week and fans are invited to come by and have a complimentary cup of Cuban coffee and spin the wheel to win assorted Marlins prizes and game tickets. Fans in attendance can also have their picture taken with Billy the Marlin and the Marlins Mermaids.

Desayuno con los Marlins

Every Thursday during the season, the Marlins, in conjunction with Univision Radio Spanish flagship station WAQI 710 AM, host "Desayunos con los Marlins". The event is a live broadcast with host Jerry Del Castillo along with sports commentator Pedro Milian and Marlins Director of Multicultural Marketing Juan Martinez each week from 10 a.m. to 11 a.m. The show originates from a different location in the Hispanic community each week and fans are invited to come by and have a complimentary cup of Cuban coffee and spin the wheel to win assorted Marlins prizes and game tickets. Fans in attendance can also have their picture taken with Billy the Marlin and the Marlins Mermaids

Hispanic Heritage Night

The Marlins will be celebrating Hispanic Heritage Night when the Marlins take on the Cubs Saturday, September 18th. The night will feature a Marlins Latin Cowbell for the first 25,000 fans. The team that night will play as "Los" Marlins and will be reflected on their jerseys.

2010 SPRING TRAINING

The Florida Marlins enter their eigth Spring Training at Jupiter's Roger Dean Stadium, approximately one hour north of the Club's regular season home of Sun Life Stadium. The complex is located on approximately 110 acres within the Abacoa Community. Abacoa is located on Donald Ross Road, approximately ¼ mile east of Interstate 95. The Marlins share the Palm Beach County facility with the St. Louis Cardinals, the only multiple-team Spring Training site in the Grapefruit League.

Roger Dean Stadium was named the Professional Baseball Field of the Year by the Sports Turf Managers Association.

In 2003 *Baseball America* recognized Roger Dean Stadium as baseball's fifth-best spring training facility,

The Marlins begin their 18th spring training on Wednesday, March 3, when they take on the University of Miami in an exhibition contest. The club will start their Grapefruit League schedule on March 4, at home against the Washington Nationals. The Marlins spent their inaugural Spring Training at the Cocoa Expo Center in Cocoa Beach and played nine years (1994-2002) at Space Coast Stadium in Viera (Melbourne).

The $28 million state-of-the-art complex opened on February 28, 1998 and accommodates 7,000 fans with luxury sky box seats, field and loge box seats, bleachers and berm seating. The ballpark seats approximately 6,700 and another 300 fans can spread out on a blanket and catch a closer glimpse of the game from the berm seating, located just in front of the Party Deck in right field. The six air-conditioned luxury suites provide 320 square feet of interior entertainment including a wet bar, refrigerator, sink, ice maker, color television with VCR, sofa, bar stools and additional seats. Each suite has seating for 12 (outdoors) and is available with a private entrance and elevator access.

Following spring training, the complex is the home of the Class A Jupiter Hammerheads (Florida affiliate) and the Palm Beach Cardinals (St. Louis affiliate) of the Florida State League.

Offices for the Marlins Media Relations Department and the media workroom are located in the Marlins executive offices, beyond the left field wall at Roger Dean Stadium. The Press Dining area is located in the main press box area. Admission to all Marlins spring training games requires either a spring training credential, a BBWAA card, or a Marlins daily spring training credential.

EVENTOS MULTICULTURALES Y EN ESPAÑOL

El béisbol es una pasión que se juega en los campos verdes y la tierra polvorosa de Latinoamérica y el Caribe. Los Marlins tienen como propósito llevar esa misma pasión a la diversa comunidad hispana del sur de la Florida. El objetivo de nuestra iniciativa de Mercadeo Multicultural es llevar a Los Marlins a nuestros admiradores en sus respectivas comunidades.

Tienda "Marlins en Miami"

"Marlins en Miami" es una tienda de servicios completos para la venta de boletos y mercancía del equipo. Está ubicada en pleno corazón de la comunidad hispana, en el 3701 SW 8 Calle. El objetivo primordial del establecimiento es ser una presencia permanente de Los Marlins en la zona de La Pequeña Habana/Coral Gables. "Marlins en Miami" cuyo personal es bilingue, presta servicios a la comunidad hispana ofreciendo información general, venta de boletos individuales, grupales y de temporada, así como llevando a cabo eventos durante toda la temporada.

Hablando con los Marlins

"Hablando con los Marlins" es un programa radial semanal a cargo del presentador Jerry Del Castillo y Juan Martínez, que se transmite por la emisora oficial de habla hispana, Radio Mambi WAQI 710 AM. El programa se transmite en vivo durante toda la temporada desde el Sun Life Stadium, dos horas antes de cada juego sabatino de los Marlins en casa, y desde diferentes sitios de la comunidad cuando el equipo esta fuera de Miami. El programa consiste de un recuento de los juegos de esa semana, entrevistas a los jugadores, preguntas y respuestas del deporte, y llamadas en vivo de los fanáticos de los Marlins.

Viernes de Fiesta

Los viernes en el estadio tendran un sabor mas latino con nuestros Viernes de Fiesta. La diversion comienza desde que abren las puertas en la Zona Strike de la entrada H con musica en vivo de diferente grupos locales. Los fanaticos pueden hechar un partido de domino y participar de nuestro torneo "Dominando con los Marlins" y ganar premios de memorabilia. Como parte de cada Viernes de Fiesta tendremos una sesion de autografos con diferentes "Leyendas del Beisbol Latino" para los primeros 100 fanaticos. Cada viernes el equipo vestira con sus uniformes de "Los Marlins" y se haran anuncios durante el juego en español. La Fiesta continuara durante el juego con musica latina y bailes latinos por las Sirenitas y los Manaties.

Solamente las credenciales otorgadas por los Marlins de la Florida, las Grandes Ligas de Béisbol o la BBWAA serán aceptadas. Las credenciales deben ser visibles en todo momento.

CREDENCIALES DIARIAS: Las credenciales para el día serán otorgadas a aquellos miembros de legítimas organizaciones periodísticas legítimas que no hayan calificado para una credencial de temporada.
